Paris'
HAIR MAGIC

Paris Hilton finds herself wearing many different hats as an heiress, actress, singer, socialite and do-gooder. And lately, she literally finds herself wearing many different headbands! Paris has just launched The Bandit, a line of hair extensions that are attached to headbands with Velcro. The Bandit comes in eight different shades and three different lengths, so you can change your look as often as Paris changes party dresses! \$70-\$80, parisandsally.com.
