WHAT SHE'S NOT

Light my fire!

You can't get too much of a good thing when it comes to a Sweet Craving, the most popular Mood candle from Victoria's Secret. **Halle Berry, Sharon Stone, Renée Zellweger and Natalie Portman** were among the first people to scoop up the super-size version of the seductive, sugar-and-spice-scented candle. The fragrance is a mix of aromas known to have aphrodisiac qualities, and the deluxe version of the candle (which measures 16" across) is available at select stores nationwide. \$225, victoriasecret.com.
