Celebs like **Pink** and **Taylor Swift** are helping to save the planet one drink at a time thanks to h2O's water “boxes,” a plastic-free way to have water on-hand anytime. Guys are even getting in on the act. **Entourage's Adrian Grenier** insisted that h2O be the only water at his July 4 birthday party, and **Justin Timberlake** requested cases for the opening of his environmentally responsible golf course, Mirimichi, on July 25. \$1.69, onedrinkatime.com.
