MAMA MADONNA

It's not just the winners who walked away with something at this year's Grammys. Each performer and presenter received a \$275 Tumi duffel bag stuffed with \$5,000 worth of goodies. Presents included a day at Santa Monica's hot new Aqua Spa, custom-made Nicole shoes, Paul Frank pajamas, a Nokia cell phone and lots of perfume and beauty products, as well as shawls and sweaters. All bags were customized for the celebrities with their sizes and favorite colors. In **Will Smith's** they added an Autumn Cashmere bikini top for wife **Jada Pinkett Smith**, while **Ricky Martin's** bag included a shirt with a Latin flair.

Will gets the goody bag, but the top gift is for his wife, Jada.

Distinctive Assets produced the gift bags for the 42nd Annual GRAMMY® Awards.
